

## 2021 Return-to-Play Inclement Weather Policy

### **Inclement Weather Policy**

Playing outside, we are bound to encounter all sorts of types of weather, we need to be prepared in-case adjustments need to be made to our programs.

Inclement weather: is weather that is harsh, wet and cold. Often this type of weather is accompanied by high winds. Keeping in mind that we are all playing locally, the call to cancel games for the day will be made up to your training session. However, it is important to watch our website: [North Perth Outlaws Lacrosse](#) and social media feed [North Perth Outlaws Lacrosse - Home | Facebook](#) for updates if inclement weather has been forecasted (i.e. severe thunderstorms).
